

Private Pet Dog Training – Consultation Topics

<p>Puppy Headstart</p> <p>\$70 per single session \$160 for 3-lesson package \$250 for 5-lesson package</p>	<p>Start your puppy's education by building a strong foundation of positive communication between your new pup and all family members. Household manners as well as basic obedience commands will be introduced. We'll work on developing social skills with people and other dogs. This is where we teach your puppy--in a positive and fun way--the fundamentals of learning.</p>
<p>Basic Obedience</p> <p>\$70 per single session \$160 for 3-lesson package \$250 for 5-lesson package</p>	<p>Here we introduce basic obedience behaviours such as "Sit," "Down," "Stay," "Come," and "Lead walking." Because each program is customised, however, keep in mind that we will design a program to suit your specific training goals. Additional commands may include "Off," "Wait," "Leave-It," and "Give."</p>
<p>Behaviour Modification</p> <p>\$70 per single session \$160 for 3-lesson package \$250 for 5-lesson package</p>	<p>Having difficulty finding solutions to certain behaviour problems? We will customize lessons to achieve your specific training goals. Situations may include restructuring the household from dog-in-charge to humans-in-charge, do's and don'ts of leadership. Addressing undesirable behaviours such as jumping on people, lead pulling, not coming when called and destructive behaviours such as digging and chewing.</p>

NB: At Competent K9 we specialise in equipping individuals with the highest quality knowledge, resources and skills to deal with the behaviours listed above. If your dog is displaying signs of aggression and/or anxiety give us a call and we can refer you to a Trainer that is experienced and qualified in this field of behaviour modification to ensure you receive the most optimal result for you and your dog.
